

**2024-2025 CIS After School Program  
Request for Proposal (RFP)  
Deadline 7/26/2024**

---

**Background:**

The mission of Communities In Schools of Kalamazoo (CIS) is to surround students with a community of support, empowering them to stay in school and achieve in life. In an effort to expand support to Kalamazoo Public Schools children within the CIS After School Program (funded by the Michigan Department of Education 21<sup>st</sup> Century Community Learning Centers), Communities In Schools of Kalamazoo and Kalamazoo Public Schools are seeking partners who will work within the CIS Model of Integrated Student Services (ISS) and the Michigan Out of School Time Standards.

**What we are seeking:**

We are seeking partners who agree to:

1. Work within the CIS ISS Model of Integrated Student Services (ISS) and work together to help improve students' attendance, behavior, reading, math, and writing.
2. Utilize the frameworks of Michigan Out of School Time Standards and Youth Program Quality.
3. Share our belief in the 'CIS Five Basics'--that all students need and deserve: a one-on-one relationship with a caring adult, a safe place to learn and grow, a healthy start and a healthy future, a marketable skill to use upon graduation, and a chance to give back to peers and the community.
4. Deliver programs or services that address the following identified needs and/or student interests:

Literacy (reading & writing)  
Social-emotional Learning  
College and Career exploration  
Performing arts  
Science  
Technology

Math  
Healthy Living  
Sports  
Visual arts  
STEM  
Leadership and Service

### Program Description:

Each year, approximately 800 students with strategic level needs in reading, writing, math, attendance, and behavior benefit from the after school program extended learning opportunity.

Roughly 25-55 students at each site will receive services 4 days per week (Monday – Thursday) for 32 weeks during the school year. The CIS After School Program operates 2 ½ hours – 3 hours at the end of each school day. Each site has a daily schedule which includes a meal, homework, academic support, and enrichment.

CIS aligns the After School Program with KPS curricula. It is helpful if bidders are familiar with the State of Michigan’s Grade Level Expectations, including those for social-emotional development (refer to Michigan Department of Education website for more information).

The program will demonstrate significant impact as evidenced by regularly attending students...

1. Reaching proficiency in attendance, behavior, reading, writing, and math
2. Receiving better grades in the courses
3. Enhanced leadership skills
4. Improved social-emotional learning skills

CIS will achieve these program goals by offering a high quality youth development program at each of the 15 sites. The Michigan Department of Education and CIS use the Youth Program Quality Assessment (YPQA) as a measure of program quality. CIS expects successful bidders to employ high quality staff who have been trained in positive youth development strategies.
