# Walking with PURPOSE

**A MISSION MILE WALK AROUND  
DOWNTOWN KALAMAZOO!**

## SCAVENGER HUNT

As part of the CIS model of support, we have 10 categories of support for kids. And to stay on theme, each stop in the scavenger hunt correlates with one of these 10 support areas.

## DIRECTIONS:

Each spot on our scavenger hunt will take you to a new location in downtown Kalamazoo. Yes, we know all the clues are conveniently located on this paper, but we challenge you to visit each step along the hunt. If you do, you will be able to add 2 miles toward your walking pledge.

Begin by watching the first video here! Then, follow the 3 steps for each stop.
